## THE Essentials

These key features are highlighted on each product page, where applicable:

#### Made in Britain

The products with this symbol are made in Britain to the highest quality standards.

Additional reinforcing which makes the bath strong, rigid and more durable than a standard bath

#### Space Saving

A choice of compact sizes provides options ideal for smaller bathrooms

#### Configurable

These baths are compatible with our furniture bath panels, so you can customise your look

#### Showering Option

Use this bath with a screen to create a showerbath

#### Easy Access

Grips provide a bit of extra stability when getting in and out of the bath

# Luxurious BATHS

Luxury Freestanders Provides the focal point in your bathroom, with a range of sizes and designs that offer a spacious bathing experience.

The bath is an integral part of any bathroom and it is so important to choose the style that meets all your needs

**ETERNALITE**  
QUALITY FINISH GUARANTEED

Eternalite Finish on Selected Models

**1st Layer** High gloss, smooth sanitary grade Lucite® Acrylic which is warm to the touch. The solid colour will not fade or rub off over time.

**2nd Layer** Fully encapsulated, high strength base board to give better impact resistance. This is reinforced with a glass fibre resin providing the ultimate super strong, robust bath.

**3rd Layer** Specialist Eternalite finish provides extra rigidity and a thermal layer to ensure the water stays warmer for longer.

(Featured on selected products where highlighted)

#### Leg Sets

All baths come supplied with leg sets as standard (Wastes not included unless otherwise specified)

#### Practical Shower Baths

Offer the convenience of a shower coupled with a bath, offering that space saving option in the smaller bathroom.
