ETERNALITE

TOUGH & DURABLE

Our Family Baths have a triple layer Eternalite finish to enhance durability and rigidity.

1st Layer

Sanitary-grade Lucite® acrylic, which is warm to the touch, and the colour will not fade over time.

2nd Layer

Fully encapsulated, high-strength base board to give better impact resistance, and the ultimate strength.

3rd Layer

The Eternalite finish provides extra rigidity and a thermal layer to ensure the water stays warmer for longer.
